

The Local Church.

Hear the bells ring.

Listen to the people sing

If you have a little worry or
someone you know needs some care
Why not say a prayer?

God will always listen to your
prayer and will always be there.

When you visit the village don't be
a limbo come and see the stain
glass windows.

In the heart of the village
so you don't need to search
come and visit St. Neot church.
